- **Units that set goals per Scout show significant increased in fundraising efforts, parental involvement, retention, etc.**
- **We have the opportunity to make parents true “partners” regarding this fundraiser b/c they can see directly how the money is going to benefit their son and his unit.**
- **2007 Council Goal is \$300,000.**

Communicate The Plan

 - **e-mail, web site, newsletter, phone, etc.**
- **51% of parents went into Scouting expecting to pay between \$25-\$149 for the year.**
 - **Avoid surprises-communicate what the program is, what it will cost, and how to fund it!**
- **Hold program family kick-off meeting at a “fun” location; firehouse, cookout at local park, ball park, etc.**

Communicate The Plan

More Parental Involvement

Parents want to know:

- 1. What's in it for me and my Scout?**
- 2. How will this benefit our Unit?**
- 3. What do I need to do?**

Parental Involvement:

What's In It For Me?

limits parental
involvement**

The Parent Message

You want to inform parents about opportunities the popcorn sale provides to improve Scout programs, but what are you going to say?

- **What's the "call to action?"**
- **Is your message to be passive, or more aggressive?**
- **Are we shooting for a simple, informative message?**

Letter to Parents

Giving a letter to all the parents at the Family Popcorn Kickoff is an idea that successful Units tell us about repeatedly.

- The letter **communicates** the Unit’s program, activities, and costs.
- It explains how the popcorn sale is going to be the **ONE** fundraiser for the program, and if parents wish to “pay for the program” through popcorn, the Unit really needs their participation.
- It gives the Unit’s goal, the **“per-family” goal**, and what happens when the goal is reached.
- It explains **Blitz Day** and gives all the key dates for the sale.

Dear Parents of Pack 150:

I want to tell you all about our Pack's fundraiser for 2006: the Popcorn Sale, so that you understand how important it is to our Pack and our Scouting program. None of us like to do fundraisers, and that's why we are going to focus all of our efforts for a two-week period (or less), to make all the money we need for the great Scouting Program you see below. Letter to Parents (cont.)

Now, the cost for the above program – for all activities, Day Camp, Registration / Insurance, Boy’s Life (1 year), Uniform, Handbook, and Badge – is **\$199 per Scout**. It is our goal for each Scout to raise \$500 in popcorn sales, and if each Scout does, that cost for the entire program is covered, and is **FREE** to you! This will be a little more than one full Order Form sheet.

Pack 150’s Popcorn Goal: \$15,000.

We have **30 Scouts** in our Pack, so the “**Per-Scout or Per-Family Sales Goal**” is **\$500** (\$15,000 / 30).

In an effort to make this easier for everyone, we have scheduled a “Blitz Day” for Saturday, October 7th. We will all meet at the Church at 3:00pm, and then Scouts will sell through our neighborhoods until 6:00pm. We have planned this out, and know exactly where we will be going to sell. Then, at 6:30, we’ll all meet back up at picnic ground #2 at Williams Park for a Hot Dog roast to celebrate our success, give out some prizes, and to remind the Scouts how they can keep going until they reach their goals.

Parents, we realize that everyone’s schedule is busy, but the Popcorn Sale is the one fundraiser we do as a Pack, the one thing we ask so that our Scouting Program is affordable for everyone. If you have any questions, comments or concerns, please feel free to contact me.
