Dear Shooters and Friends of Scouting,

The Boy Scouts of America – Texas Southwest Council is excited to offer a new competition for the Concho Valley area. The Marksman Shootout presented by Coralina Ranch– a target competition for all skill level target shooters to compete for bragging rights to be named as Top Marksman for their rifle class: categorized based on their scope and ability and will be determined by the number of registrations. All individual shooters will take 17 shots aiming at targets at five distances: 100 yards, 200 yards, 300 yards, 400 yards, and 500 yards either in the prone, bench or desired position. Training opportunities will be available Friday evening. Overnight accommodations are available. Bring your gator or golf cart.

Proceeds from this event are used to support Scouting in the area and our Taste of Adventure shooting sports program teaching youth and giving rifle, shotgun, and archery shooting opportunities at Camp Sol Mayer. The Texas Southwest Council is committed to making sure that all young people have an opportunity to learn the lifelong skill of shooting.

Please join us in kicking off this exciting new competition.
