

Scout Release Request

Scouts desiring to leave the camp prior to their unit's departure or not as a part of a unit must have a release signed by their parents. The form below should be used in handling these exceptional cases.

In an emergency it may not be possible for a parent or guardian to sign the release. In this event, sufficient information must be recorded attesting to the telephone call or means of communication by which word arrived asking for the release of Scout. This information should document the person from whom the call was received, verify telephone confirmation of the parent asking for release of the Scout, and give detailed reasons for the release.

In signing the request for release, BSA and parents or guardians mutually acknowledge that there will be no refund of camp fees; that the council health and accident insurance terminates with the Scout's departure from camp; that upon the Scout's departure from the Scout Camp, the BSA or its representatives shall not be liable for any loss or injury to the Scout's person or property.

Scout must check out through the Camp office. Photo ID and verification will be required to escort any Scout from Camp.
